The Hingham Historical Society invites you to explore our annual calendar of programs and events—or visit us for tours in the heart of historic downtown Hingham.

Start your visit at the **Hingham Heritage Museum Visitor Center & Shop**, your source for Hingham 250th gear, then choose how you'd like to explore: take a guided tour of our historic sites, join one of our popular walking tours, or hop aboard our **Yellow History Cart** for a lively ride through Hingham's remarkable past.

Our three museums—the Hingham Heritage Museum, featuring our new exhibition *Witness: Hingham in the Age of Revolution*; the Old Ordinary, a 17th-century tavern; and the National Historic Landmark Benjamin Lincoln House—are open Tuesday–Saturday, with Sunday tours by appointment.

Plan your visit at hinghamhistorical.org or purchase tickets when you arrive.
